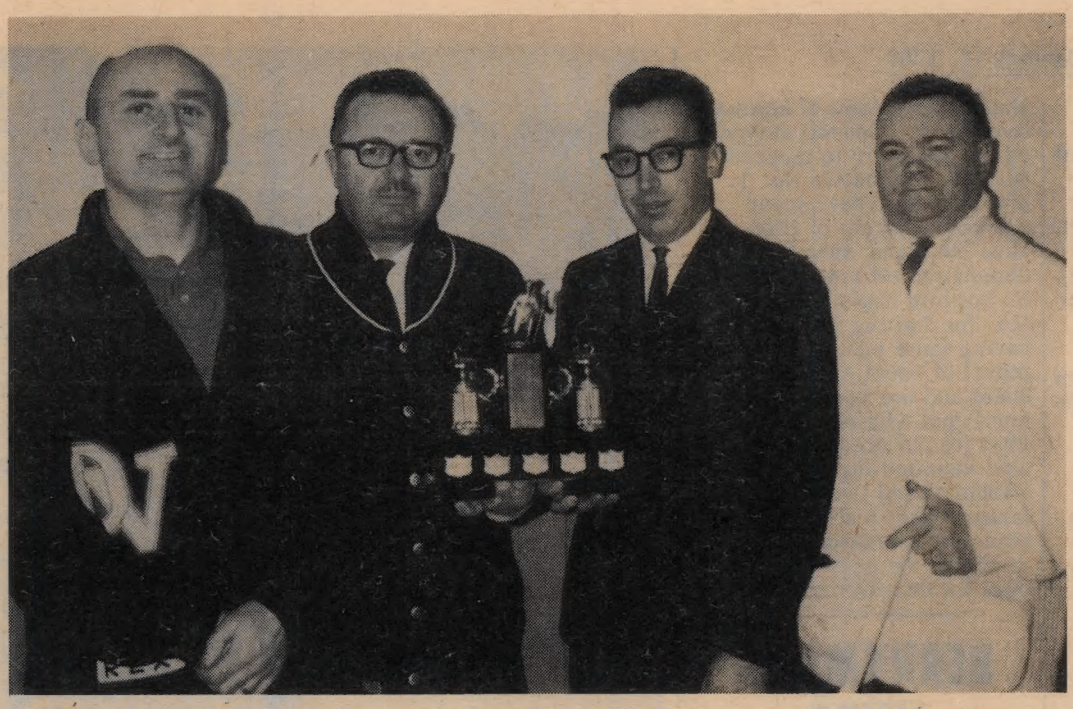
THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA

VOLUME IV. NO. 3 JANUARY 17, 1968 PRICE 10¢



Shown here are members of the Drayton Valley Legion Rink that won the zone curling final in Edson last weekend. From the left are Rex Burrows, Adrien Meier, Wally Peters and Bill Johanneson.

Drayton Curlers Win Legion Event

A Drayton Valley rink composed of Adrien Meier, Wally Peters, Rex Burrows and Bill Johanneson won the Royal Canadian Legion Zone curling play-off at Edson last weekend.

The rink will now advance to the Northern Alberta final at Whitecourt on the weekend of January 27-28.

Four communities, Edson, Hinton, Jasper and Drayton Valley took part in the double knockout event last weekend. Drayton Valley lost its first game to Hinton and then defeated Edson to enter the "A" final.

The Drayton curlers defeated Jasper 12-2 in the "A" section and again 16-5 in the "B" to win the zone honors.

Nominations for Council Vacancies

Two vacancies on Town Council have been created by the resignations of Brian Gooding and Al Chesterman.

Nomination day has been set for Wednesday, January 24th with the Returning Officer, W. G. Johanneson accepting nominations between 11:00 a.m. and 12:00 noon. If an election is required the poll will be held on Wednesday, February 14th.

Officers Installed By Evansburg Legion Auxiliary

Zone Commander Stella Lorenz conducted the installation ceremonies of the newly elected officers and executive for the Evansburg Ladies Auxiliary Royal Canadian Legion No. 196 held in the Legion Hall on Sunday afternoon January 7th.

The officers and executive committee for 1968 are as follows: President, March Peterson, Vice President, Annie Graham; Secretary-Treasurer, Olga Kremeniuk; Sgt. At Arms, Annabelle Taylor; and Chaplain, Mary Cumming. Executive: C. McGowan, M. Paron, R. Horne, B. Yates, A. Taylor, M. Cumming.

Voyageurs Play First Games

Drayton Valley's Intermediate hockey club, The Voyageurs, have started the season's play with two games last weekend. They came out of the weekend with a win and a loss.

On Saturday the Voyageurs played the Wetaskiwin Faluns here and lost by a score of 7-4. Voyageur goal scorers were Charlie Davies, Murray Scott, Lyle McGinn and Roy Hutchinson.

On Sunday the Voyageurs defeated an Edmonton Calgary Power team by a score of 6-4. Drayton Valley marksmen for the Sunday game were Roy Hutchison (2), Murray Scott, Lyle Gordon, Norm LeBlanc and Charlie Davies.

Next home game for the Voyageurs will be played at the Centennial Arena at 8:30 p.m. on Saturday, January 20 against an out-of-town team to be announced later this week.

MINOR HOCKEY WEEK STARTS JANUARY 20

Don't Send - TAKE your boy to the arena and stay to see him play

Big ARDA Program Approved in C.D.14

The Rural Development Program in Census Division 14, (Edson, Hinton, Whitecourt, Wildwood, Evansburg) has been given the green light with specific money grants approved by Provincial and Federal Governments of programs recommended by committees of people in the area. The program will see nearly $7 million dollars available for development in the area over the next four years.

The Hon. M. Sauve, Federal Minister of Forestry and Rural Development, and The Hon. Harry E. Strom, Provincial Minister of Agriculture, will formally sign the arrangements of the ARDA program in the area on the 29th of January.

No details have as yet been worked out, but such things as showing local projects, meeting ARDA Advisory Committee representatives, and other local people are in the planning stage.

The original concept of ARDA in CD 14 has been the encouragement of leadership through the men and women vitally concerned with upgrading their communities. Committees have been meeting as often as every two weeks working on the project and the approval by senior governments follows the local recommendation very closely.

District participation and involvement in the project began three years ago, culminated with the announcement made last week.

PROPOSED PROGRAMS

The money will be made available for finalization of proposed programs that include include: land development (clearing); assistance on forest development programs associated with recreation and tourism; providing an opportunity for upgrading educational programs, vocational training and Job Corps training; assistance with water conservation measures; and providing research into problems of a socio-economic nature, as well as physical projects such as water resources, access roads and wildlife development.

Research began in August of 1964 under the Farm Economics Branch. The purpose was to establish a list of resources plus background information about the people of the area. The spring of 1964 saw the appointment of Frank Belyea, regional resource co-ordinator, who brought to the Edson, Hinton and Whitecourt areas (C. D. 14) a philosophy that the people of the area are the only ones able to clearly identify their problems.

Cont. on Page 3

F.M.H.S. Plans Career Day

A Career Day is planned for Wednesday, January 17th at Frank Maddock High School. Fifteen speakers from the professions, technologies, business and industry will be visiting the school to speak on their respective vocations.

In addition to F.M.H.S. students, Grade 9 classes from St. Anthony's Separate School will be in attendance. While space is limited, interested parents are invited to attend.

The sessions will commence at 1:00 p.m.

COUNCIL BRIEFS

A regular meeting of the Council of the Town of Drayton Valley was held in the Council Chambers on Thursday January 11th.

* * * *

The subject of appointing a law firm as legal counsel for the town for the ensuing year was discussed and it was decided to re-appoint White, Trott & White on the same basis as previously.

* * * *

Quilliam, Stuart & Company, Accountants, were appointed as auditors for the town for 1968.

* * * *

The Fire, Casual, Liability, Fidelity Insurance coverage of the Town for the next ensuing year came up for consideration with bids from each of the Insurance firms being tendered. Tenders were received from Drayden Insurance and Accounting Ltd. and Johnson Insurance Services. The bids were opened and it was decided to have them examined and perused by the Finance Committee and the Mayor.

* * * *

The Secretary read the letter from George Naoum of Corrbild Engineering in which findings of various tests of our water wells Nos. 8 and 9 was given. Fluoride contents showed as much as 1.1 P.P.M. in well No. 9 and a lesser amount in well No. 8.

* * * *

It was decided that a report be procured from the Sanitary Engineering Branch of the Department of Public Health regarding fluoridation findings of their visit and subsequent tests and of St. Albert's equipment..

* * * *

It was decided that a request would be made to the Department of Municipal Affairs asking that an assessor from the department personnel be appointed to do the real property and business tax assessment for the town for 1969.

* * * *

The resignation of Councillor Alfred Chesterman was accepted by the Council.

* * * *

Councillor Norman Swendsied was appointed as chairman of the Public Works Committee to replace Councillor Brian Gooding who also resigned recently.

* * * *

It was moved and carried that Council hereby direct that Nomination Day for the acceptance of nominations for vacancies on Council occasioned by resignations of Brian Gooding and Alfred G. Chesterman shall be held on Wednesday, January 24, 1968, between the hours of 11:00 and 12:00 in the forenoon. And that if a poll becomes necessary that the said poll shall be held on Wednesday, February 14, 1968, between the hours of 10:00 a.m. and 7:00 p.m. in the Town Hall Council Chambers.

* * * *

Bylaw No. 400, authorizing the appointment of William G. Johanneson, Secretary-Treasurer, as Returning Officer for the election of the replacements on Council for Brian Gooding and Alfred G. Chesterman, was given three readings and declared law.

* * * *

Council considered the paving, curb, gutter and sidewalk programs for 1968 and after much discussion on the merits and demerits of the alternatives proposed decided to go ahead with a form of alternative No. 1. Council authorized the Secretary to proceed with the Alternative No. 1, plus or minus, paving and sidewalk program of 1968 and have the plans, specifications, designs and estimates prepared by Corrbild Engineering Co. Ltd. for drafting bylaws and having same submitted for approval of Local Authorities Board and the Department of Municipal Affairs and Highways for the streets grant. It was requested that George Naoum attend the meeting of January 18th to outline the plans and estimates and also to discuss the engineering contract for this project.

BERRYMOOR NEWS

MRS. D. MARTIN
Correspondent.

The extremely cold weather of the past few days has been the main topic of conversation lately. However, a warming trend is in evidence now and will be most appreciated.

Mrs. Olga Lindell who has been a patient at the Breton Hospital for some time has been moved to the Wetaskiwin Leduc Auxiliary Hospital at Wetaskiwin. We sincerely hope that she will be feeling better soon.

Billy Gilchrist has been on the sick list lately with a case of bronchial pneumonia.

Ivan Whittaker has also been on the sick list. Hope to see you up and around again soon, Ivan.

The school buses have been sent home early on a couple of occasions since the new year, on account of weather and road conditions. There has also been a couple of days when they didn't operate at all.

Percy Laughlin has had the misfortune to have a major breakdown with his school bus. We hope that he will have it back in service again soon. In the meantime he is carrying on with a rented bus.

A number of community activities scheduled for the first two weeks of the new year have had to be postponed because of the extreme weather.

The Three B's club of Berrymoor will hold their first meeting of 1968 on the afternoon of Saturday, January 27th at the home of Florence Johnston.

Specially manufactured protein foams are being tested as a method of protecting fruit and vegetables from early frost by the Canada Department of Agriculture. Tests to date have been conducted with success but the Biology Research Institute emphasizes the words "...with practical possibility." The photo shows the foam being applied to tomato plants.

Warriors Maintain Winning Hoop Form

The FMHS Warriors downed Seba Beach 67-35 and the Warburg Trotters 26-16 in high school basketball contests this past week to extend their winning streak to eight straight games without a loss this season.

In the Seba Beach game the team displayed their best offensive balance and power as they came up with a strong outside shooting game. On the scoreboard Don Bouschard and Keith Sodergren both scored 17 points; Ron Cameron working in the center position for the first time and playing an outstanding game, hit for 13 points. Guards Larry Metelski and Doug Ibbotson each had 8 points. Also showing well for the local team was rookie Ken Dusterhoft.

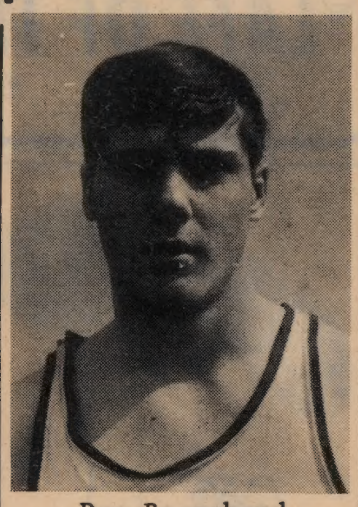
The team then travelled to Warburg for a league contest and after a tense struggle came home with their first victory in the teams history on the Warburg floor. Down 12-7 at halftime the team felt that the mental block to win in Warburg was going to overcome them but the second half proved to be all in the Warriors favor as they outscored the Warburg five 19-4.

Contributing to the victory was a strong defensive effort by the whole team. Don Bouschard clenched the victory for the Warriors in his last quarter 8 point effort. Also playing well for the Warriors were Doug Ibbotson and Ken Bureyko.

Don Bouschard is now playing his fourth year of basketball having had two outstanding seasons with the Junior Huskies and an excellent rookie season last year with the Warriors.

Don appeared to be having Sophomore Jinx at the first of the season but has now overcome this and has regained his fine form. He is sure to be a real thorn in the oppositions side for the remainder of the season.

The Warriors will be travelling to Breton this Friday for another league contest and then the following week will be taking part in the fourth annual FMHS basketball tournament which will involve twelve teams, which indicates the biggest and best tournament yet and real fine entertainment for local sports fans.



Don Bouschard

ARDA Program Gets Approval

Cont. from Page 1

The area was divided into the following five development zones: Zone 1, West Hinton; Zone 3, Central Edson; Zone 3, East Evansburg & Wildwood; Zone 4, Mayerthorpe; and Zone 5, North Whitecourt.

Trade centres were the criterion used to divide the area into communities or zones. Community leaders, two from each zone, were asked to sit on a Regional Advisory Council and met every two weeks and were the nucleus in forming Zone Development Committees.

Through these committees programs and projects were initiated as the people saw them.

As a result of the Educational Program a number of requests from the area were received. The Haddock area requested a meeting on Rural Development. At this meeting the group listed a number of problems in agriculture and agreed on the three most pressing problems. The people appointed a committee to plan a series of meetings.

CLEARING PROJECT

The Regional Resource Coordinator assisted with planning and when the committee decided the first meeting should consider land--this meeting along with other meetings culminated in a Land Clearing Project, Land Purchase and Rehabilitation Program that will see approximately four million dollars spent in this area.

People are the most important asset in any community and emphasis was placed on "the youth". Existing groups were being encouraged, and three new 4-H clubs have been formed in Edson and two in Peers. The F.U.A. played a major role in supporting these clubs.

Involvement in the area extended to Chambers of Commerce, Schools, Churches, Nurses' Association, Agricultural Groups, and Youth Organizations.

This idea of total participation is the basic tenet of the ARDA program. The whole program is no easy undertaking and in many ways involves a threat to the established order. Therefore, to quote Hon. M. Sauve "The way of ARDA is to let the people speak, to listen to what they have to say, and to convince them that we (governments) shall act as they want us to act".

The highest elevation in Canada is 19,850 feet and the lowest is sea level.

Tomahawk News

MRS. LENORA WELK
Correspondent.

The Tomahawk and District Club held its regular meeting on January 8th at the home of Joe Lekie with 8 members of the board present.

A report on the New Years Eve Dance was read and a report on the catering for Hallett's 50th wedding anniversary.

The annual meeting was discussed and it was decided to hold it on February 24th in the Tomahawk Hall with everyone urged to attend and support the community club. There are six members of the board up for election.

Another topic for the evening was the July 1st sports event. It was decided to put on another parade this year so lets get thinking about ideas for floats and entries for the parade.

Next meeting at Albert Martin's on February 12th.

Shirley Anderson was honored with a surprise shower. Ann Coleman and Alma Schadeck were the hostesses. It was held at the home of Ann Coleman. There were a few games played and then a lovely lunch was served.

Shirley and Jimmy are living in Tomahawk now and Jimmy is employed by Bill's Transport. The community would like to welcome this young couple to Tomahawk.

EDITORIAL COMMENT

Community Suffers If Chamber Fails . . .

The Drayton Valley and District Chamber of Commerce, which has operated for some time with very little support by many of the people who should take a lead in community activities, is now faced with a larger problem that could finish the organization if it is not resolved.

The nominating committee was unable to locate anyone willing to serve as president and unless the next meeting of the executive finds a president from among its ranks the Chamber will be finished. The executive is not likely to let it fail and the Chamber will probably continue to struggle along a declining route unless we have a sudden change of heart by the people who stand to gain most by an effective, energetic organization working for the good of the community.

We've pointed them out before in these columns and do not intend to go into the merits of the Chamber again now. However, it should be mentioned that Chambers of Commerce, as representatives of communities, gain attentive audiences with government, industry and business not always accorded to private individuals. This fact in itself should be enough to make those who consider themselves cogs in the community wheel turn out and see that the Chamber becomes that effective voice.

It would be a sad day for Drayton Valley if the Chamber of Commerce should go under. We stand now on the threshold of a bright future...but much hard work will be required to make sure the community continues to thrive and the Chamber of Commerce could be instrumental in keeping us moving ahead.

For the sake of everyone who has a stake in the future of Drayton Valley, let's not let it die.

Are You a Sender Or a Taker?

The father who sends his boy to the arena usually tucks his feet under the chesterfield, sits back, turns on the TV, watches the Leafs, criticizes the commercials, then goes out and is not home when Junior returns from the arena.

The "sender" wouldn't know the score of any of the lad's games--he has to bowl when the team needs an extra car to drive them to a game. All in all, he has just too much to do. But maybe Mom can go to the odd game, and a lot of Moms do.

BUT--Junior's team is in the finals. Now we find Mr. Sender one of the first in the arena. First of all, why isn't the heat turned on for the kid's games? I'm going to see about this. Why don't they give the kids decent sweaters? The manager ought to be shot for letting them play with those crummy sticks. And if the coach doesn't put Junior back in I'm going right down and do something about that. Who in blazes ever told him he was a coach.

We don't need to say to you: "Sir, are you a sender?" You couldn't be, you're going down to the arena next week because its Minor Hockey Week in Canada. But if this IS your first trip, please think it over and come back again.

Incidentally, please pass the word to "Mr. Sender" and maybe he'll join you as one of those who will "Take--not Send his boy to the Arena".

...with thanks to
F.O. Doherty, Thorold, Ont.

For Women Who Ski

Skiing continues to rank as a leading sport for activity-minded women during the cold winter months. To provide maximum eye protection from glare and windburn, wear ski goggles when you're on the slopes. Today's wrap-around lenses come in a wide variety of shapes and sizes, designed to make any face more attractive. But wind and weather can cause eye fatigue, headaches and nervous tension even with goggles. So use eye drops from a yellow plastic squeeze bottle, now available in Canada, to soothe and relieve tired eyes.

CARNWOOD

MRS. ROSE SAUNDERS, Correspondent

The Christmas party at Carnwood Centre was very well attended and Santa made his annual call and exchanged gifts and candy bags. He also made special calls at Cox's, Jorgensen's and Wollens to see Wendell, Donna, Susan, and Darrin, Kimmy.

Those home for the Christmas and New Year holiday were Steve Tweedle from Victoria where he's stationed with the Navy; Ronald Floden from Thorsby; Dennis Martin from Calgary; and Laurie McCauley of Edmonton.

Mr. and Mrs. Steve Kugyelka and family, Mr. and Mrs. Louis Kugyelka and Mr. Kugyelka Sr., Mr. and Mrs. Don Metke and sons, Mr. and Mrs. Clayton Bowen and family, and Miss Rita Maxwell spent Christmas Day with Mrs. Norma Bowen.

Mr. and Mrs. Jim Saunders motored to Genesee to spend Christmas with Mr. and Mrs. Otto Kwast and family

Mr. and Mrs. Ross Tweedle and family of Lamont, Alberta, were up to spend New Years with Mr. and Mrs. Ken Badgerow and boys. Mrs. Sarah Badgerow of Calmar was out for Christmas Day with Mr. and Mrs. Badgerow.

Mr. Bill Hankins and girls spent Christmas with Mr. and Mrs. Reynold Jehn and family of Warburg. They spent New Years Day with Mr. and Mrs. Rod Brunken and family of Leduc.

Mr. and Mrs. George Colby Edythe and Erik Wikner were guests of Mr. and Mrs. Tom Martin and family.

Mr. and Mrs. George Colby had a house full to celebrate New Years Eve. Guests were Mr. and Mrs. Ken Badgerow and boys; Mr. and Mrs. Ross Tweedle and family; Mr. and Mrs. Roy Silver; Mrs. Agnes Munk and Larry; Rose and Jim Saunders; Donna Bowen; Mr. and Mrs. Tom Marten, Lynne, and Dennis; and Mr. and Mrs. Sandy Sandiland.

Mr. and Mrs. Ray and Ruth spent Christmas at Drayton Valley with Mr. and Mrs. Alvin Roy and family.

Mr. and Mrs. George Van Ember and Mr. and Mrs. Robert Van Ember and family were guests of Mr. and Mrs. Bruce Whitelock on Christmas Day.

Mr. and Mrs. Lloyd Bogart and sons spent Christmas with Mr. and Mrs. George Hapgood and girls of Edmonton.

Belated congratulations to Mr. and Mrs. Wm. Shipton on the birth of a daughter.

Mr. and Mrs. Wayne Floden and family enjoyed Christmas with Marion's parents, Mr. and Mrs. Earl Jacobsen.

Mr. John Veldhouse has returned home after spending Christmas at Hope B.C. and New Years with friends in North Vancouver.

Mr. and Mrs. Frank Cox and boys visited with Dave and Edna Van Ember and family on Christmas Day.

Mr. and Mrs. Victor Saunders and Edward motored to Edmonton to spend Christmas with Joe Saunders and family and Dell Burr and family.

Mr. and Mrs. Lyle Rutherford have left the farm to take up residence in Calmar. We say "au revoir" Mabel and Lyle and hope you spend many years in your new home.

Miss Donna Bowen celebrated her thirteenth birthday on December 27th with a party. Due to the heavy snowfall and cold weather some of her girlfriends were unable to come. Happy Birthday Donna.

We were sorry to hear Leslie Silvers has been a patient in the Drayton Valley Hospital. Hope to see him home real soon.

We hear we lost another old timer in the surrounding district. Mr. Jim Rasmussen of Lindale passed away on December 23rd in Edmonton.

We must say we were glad to see the snowplow in action once again. After its breakdown.

Our deepest sympathy goes out to Mrs. Nick Razuk and family of Breton on the death of her husband.

Mr. and Mrs. Fred Lalond spent Christmas with Mr. and Mrs. Wallace, Hanna. Betty's mother enjoyed Christmas with them also.

Mr. and Mrs. Art Brielkeitz and family of Lacombe spent Christmas with Mr. and Mrs. Ted Barnett and family.

Mr. and Mrs. Gordon Gillespie and family joined Mr. and Mrs. Harry Staudt and family of Breton for Christmas Day.

May I wish you one and all a Very Happy and Prosperous New Year.

Auction Charity Week to Aid Retarded Children

"The rhythmic chant of more than 300 Auctioneers from one end of the Province to the other will be heard during Auction Charity Week, February 5th to 10th, in aid of retarded children.

The Alberta Auctioneers Association and its enthusiastic membership are embarking on all out effort to assist the retarded children in what will hopefully be an annual project. During the business week of February 5th to 10th, charity auctions will be conducted in communities large and small throughout the entire Province and the accumulated monies will be forwarded to the retarded children at the completion of the project.

Association Auctioneers are soliciting the support of businessmen and individuals to lend support by donating or contributing new or used items of value, which will be sold by public auction, during the week of Fe bruary 5th to 10th.

Each Charity Auction will be conducted by Alberta Association Auctioneers at designated locations, to be announced later."

CINNAMON HONEY

Cinnamon honey is being introduced by an Alberta honey producers' co-op in Edmonton and is just reaching retail stores, says Mrs. Linda Pickell, home economist and promotion officer with the Alberta Department of Agriculture.

Ground cinnamon is added to pure creamed honey to make this new product. It is presently only available in Edmonton but will be in stores throughout the province early in the new year.

Cinnamon honey sells in a one pound carton and it costs only a few cents more than plain creamed honey.

Alta Sweet Ltd. has developed a method of combining the cinnamon with the honey to produce a stable blend. Cinnamon honey has been available on the American market for some time but the cinnamon tended to separate.

By introducing a new flavor, Mrs. Pickell says honey producers will be better able to compete with the manufacturers of jams and jellies. Honey is presently the only commercial spread made in Alberta.

Health Hints from THE CANADIAN MEDICAL ASSOCIATION

BLUE BABIES

The term "blue babies" has over the years been applied to babies born with congenital heart defects in which the blood does not take up as much oxygen as it does in a normal person. Consequently the baby's finger tips and lips look blue.

The likelihood of a baby being born with a heart defect in which blueness is a factor is much less than one in 100, according to The Canadian Medical Association. Before 1949 there was nothing that could be done for these babies. Most of them lived short, unhappy lives, short of breath and unable to cope with the normal activity of a growing child. With the development of a Taussig-Blalock operation it is possible to create an extra connection which allows more blood to go to the lung. This removes the blueness and the baby is able to get more oxygen into its blood and to carry on much more like a normal child. Several hundred of these operations have been done in this country and elsewhere.

In recent years, with the development of open-heart surgery, it has become possible to do a curative operation. Using the heart-lung machine, the defects inside the heart can be completely corrected with relatively little risk, the C.M.A. reports.

Some babies have this condition in such a severe form that they have to have the Taussig-Blalock surgery to help them live long enough in order to have the curative surgery.

Club Meets

The fifth meeting of the Tomahawk Clothing Club was held at the home of Marie Hanzuik on December 18th.

Valerie Ward and Bernice Martin gave a demonstration on setting in a sleeve.

The annual bazaar which *took place on December 9th* turned out fairly well.

We had as our guest Mrs. Pezzot. Bernice Martin and Marie Hanzuik served a very tasty lunch.

EASYFORD NEWS

The Easyford Community raffled off the Hudson Bay Blanket at the New Year's Eve dance. Mikel Mizzol held the lucky ticket.

The community held their monthly meeting last Monday evening. It was decided that a Valentine social would be held on February 16th. It was also decided that a name list would be made up, so that everyone would have a turn at cleaning the hall.

The community was suddenly shocked to hear that Mr. Wayne Fertig's father passed away in Edmonton on January 11th. We all extend our deepest sympathy to Mr. and Mrs. Wayne Fertig and family in their hour of sorrow.

Those in the district who attended the St. John Ambulance First Aid course in Drayton Valley were, Harold Fink, Pete Hutchinson, Leo Hutchinson, and Frank Swap.

Mayor Findlay throws the first rock to launch the Oilmen's 'Spiel

Gillis Rink Wins Top Prize In Annual Oilmen's Bonspiel

First rink out of the Bonspiel, Billy Rose (r) receives consolations and a gift from Lloyd MacLean.

The 3rd annual Pembina Oilmen's Bonspiel was held last weekend. The event was very successful with a full entry of 48 rinks. Many out-of-town curlers participated in the three-day 'spiel.

Entertainment was provided by the Lil Ross Hootenanny Mamas entertainment group on Friday evening and Saturday evening by Johnny Kerr and Marlene Nering of Edmonton.

The Gooding & Matt Event, top prize in the bonspiel, was won by a local rink skipped by K. Gillis who edged out an Edmonton rink piloted by Harry Acheson.

First Event winners: Ken Gillis; H. Acheson; W. Debrisay; and 4th Lou Schneider.

Second Event - Carnwood Wireline Trophy. The winner of this event was the Mobil Oil Rink skipped by Harvey Peterson; 2nd T. Cuthill; 3rd J. Bolianatz; and 4th R. Meier.

Third Event - Eastman Oilwell Survey Trophy. Winner Ganske Welding rink skipped by Marshall Vanderploeg; 2nd B. Cook; 3rd Bill Fiveland; and 4th John Matt.

Cub and Scout Mothers Saving for Percolator

The Cub and Scout Mothers met on January 10th at the Scout Hall. The attendance was small, probably due to the cold winter.

Treasurer Stella Bray submitted her letter of resignation due to the transfer of her husband. Irene Wilkes was nominated to fill the position.

The peanut drive in December was again very successful and we wish to thank all who purchased the peanuts and thus helped to support the Cubs.

All mothers of Cubs, Scouts, Guides and Brownies are asked to save their Nabob coupons. These can be brought to the May meeting or forwarded to any one of the executive. Anyone else having coupons they wish to donate can phone 542-3930 or 542-4097. The coupons will be used tow ards the purchase of an electric coffee pot to be used at the Scout Hall.

The annual Father and Son Banquet will be held on Thursday, February 22nd at the Elks Hall. Hope to see all you Cubs and Scouts there and don't forget to bring your Dads.

Auxiliary Holds First Meeting

The Anglican Women's Auxiliary held their first meeting of 1968 in the Parish Hall on January 10th.

Several annual reports were made which showed the branch had had an active year in 1967. The profits from the Christmas cards will be used to once again support the overseas scholarship fund for David Basule, the eldest son of an African clergy man. It was also decided to pay off the balance of the rectory mortgage.

It was decided to quit commercial catering for the year so that the ladies might concentrate their efforts on prayer and building in church membership.

Tanzanians in Training

Tanzanians at Dar es Salaam are taught airplane maintenance by a member of the Royal Canadian Air Force. Canada is giving assistance to Tanzania and Ghana in the training of their military personnel. -Canadian Forces Photo-

TOPS Goes Canadian With New 5 C's Club

January 3rd marked the first meeting of former Tops Club members as new members of a comparitively new Canadian Club known as Canadian Cross Country Calorie Counters, 5 C's for short.

The decision to make the change came after the publicizing of an article in the "Canadian" magazine describing the breaking away of an Ontario Tops Club whose headquarters is in Milwaukee, Wisconsin, to form a wholly Canadian Club of their own. The movement has spread across Canada at this time, and our "Valley Tops members, feeling they would benefit by the change and have a much more effective club, made an almost unanimous decision to apply for membership in this 5 C's Club.

The 5 C's welcome new members enthusiastically. The only qualification necessary to join is a weight problem or to have had a weight problem and a wish to maintain normal weight.

Annual membership fee is $4 for adults and $1 for teens.

Meetings are held each Wednesday evening in the Civil Defense Room in the Drayton Valley Town Hall. If interest is shown in such a project, an earlier afternoon meeting could be organized as well to accommodate those who find it difficult to get out in the evenings.

For further information phone Mrs. Wilma Steeves at 542-3516.

Father Ayling Honored at Evansburg

Parishioners of St. Elizabeth's Parish in Evansburg gathered recently for a smorgasbord supper in the Legion Hall at Evansburg.

The occasion was to bid farewell to Father Ayling who had been their pastor for the past five years and was leaving for Bashaw. It also gave those attending an opportunity to become acquainted with Father McKenzie now in charge of St. Elizabeth's parish.

Alex Paron, master of ceremonies, called on the following persons to make presentations to Father Ayling: Mrs. Lauer on behalf of the C. W. L. Leo Hoffman on behalf of the altar boys; M. Mazeppa on be behalf of the Scout Association; and J. Lauer on behalf of the parishioners.

D. V. Highlights

BY MRS. EDITH DEBY

The library board meeting has been postponed one week and will be held in the library at 4:45 on Thursday, January 25. Citizens now serving on the library board are: Mrs. Ingram, Mrs. Zolmer, Mrs. Cull, Mrs. Guze and Mr. Orieux. Mr. Wm. Johanneson is secretary-treasurer.

Lenard Urchyshyn hurt his ankle while skiing last Sunday. Hope you get patched up right quick, Lenard.

Mrs. Ron Smith is a patient in hospital and I join her other friends in best wishes for an early recovery.

Only a few short years ago the George Mohn family was here. Now only Bonnie is with her parents. Gordon is at Crossfield, Alberta; Russell is a printer in New Westminister and Wally is on road patrol with the R.C.M.P. out of Nelson, B.C. Wally and his wife, the former Adele Mitchell, were host and hostess for the family reunion during the holidays.

Mr. Leslie Wallace is quite ill in the local hospital.

Mr. Edward Hines Sr. and Mrs. Edward Hines Jr. were hostesses when the Dunington Ladies Group held their fortnightly whist party last Saturday night. High honours went to Mrs. Edward Hines Jr. and Mr. Peter Gregerson. Mrs. Gregerson and Mr. Bartlett were the players needing consolation.

Mr. Francis Law is home from hospital and is slowly recovering his strength after a stomach operation.

Since Christmas Miss Valerie Krause has been wearing a very pretty diamond ring on the significant finger. Mr. Wayne Swendseid is the lucky young man.

We hear that Mr. and Mrs. Stu Valentine, formerly of Drayton Valley, have settled in the Richmond District of Vancouver.

Mr. Wayne Fertig's father, Mr. Marvyn Fertig of Edmonton passed away suddenly on January 11th. Our sympathy is extended to the Fertig family in its bereavement.

Am happy to be able to report that the operation on Mr. Claude Free's eye appears to have been a complete success and sight has been restored.

Had a good chat with Mrs. Olga Wiechert the other day and was interested in hearing her account of a trip she made to Uranium City last summer. Mrs. Wiechert's daughter, Mrs. Ben McIntyre has a thriving dress shop and Mrs. Wiechert says "Uranium City might be a nice place to live if it weren't way up there".

Mrs. Henry Dunington, who has not been well for some time, was taken to Edmonton last week for special treatment and is in the Royal Alexandra Hospital. Get well soon, Mrs. Dunington.

Mr. and Mrs. Keith Fuhr left this week to make their home in Grande Prairie. Both young people grew up in this town and will be missed by their many friends.

Remember Miss Rosa Wolters? Miss Wolters is at present teaching sociology in a girl's school in Tabora, Tanzania. In order to keep her friends in touch with her she types a very long letter and runs off copies on a multilith. This letter was received by a number of us in Canada this year. Every holiday is utilized by Miss Wolters for a trip or safari of some sort. She speaks as casually of lions and ostriches as we would of bears and robins. Of special interest was Miss Wolters description of a trip she made to Greece in April of last year at the time the army took over control of the government. I'm keeping the letter and anyone who didn't receive one is welcome to read mine. It's really a fascinating travel diary.

C.W.L. Sponsoring Educational Program

The C. W. L. is again sponsoring educational programs in Drayton Valley.

The first of these programs is entitled "Law and The Modern Woman" and will be held in the Elks Hall on February 19th from 10 a.m. to 4 p.m.

Mrs. Hewitt is the guest speaker and will be using the following format at her workshops: (a) Buying a house or farm (Dower Act); (b) Credit buying; (c) Wills and estate planning; (d) Delinquincy and child planning.

Mrs. Hewitt is a barrister, married to Judge Norman Hewitt of the Juvenile Court, and has three children. She has her B. Sc. from the University of Alberta, 1949 and her Bachelor of Law from the University of Alberta, 1952. She articled and was admitted to the Bar in 1953. Presently she lectures at a "Law and the Modern Woman" course for the Department of Extension in Edmonton. She is well known for her work in this field on adult education.

Mrs. Hewitt is a dynamic and sympathetic speaker and it is felt the audience will love her.

The fee for this program is $1.00 per person. Coffee will be provided and there will be time off for lunch.

A minimum of 40 persons must be registered to enable us to bring this work-shop to Drayton Valley citizens. Please contact Mrs. Hennessey at 542-3086 for advance registration soon.

March 19th is the date set for Sister Cabrini's lecture on Sex Education for parents and teenagers at St. Anthony's School Auditorium. Further details on this program will appear in this newspaper at a later date.

These programs entail a great deal of cost and preparation for the C. W. L., and it is hoped the community will take advantage of this wonderful opportunity to increase their knowledge about some of the problems in our present day society.

MOON LAKE NEWS

BLANCHE JENSEN
Correspondent.

Congratulations go to Larry Carnegie and Bonnie Seath on their engagement. The wedding is to be in Edmonton on January 27th.

Mr. William Karach is in an Edmonton hospital recovering from a heart attack. We all wish you a speedy recovery, Mr. Karach.

Mr. Fred Brown is home from hospital, and is improving from his illness.

Mrs. Jans Iversen is a patient in the Drayton Valley Hospital.

Happy Birthday wishes go to Miss Evelyn Carnegie, who celebrates her birthday on January 16, 1968

There is Sunday School in the Moon Lake Hall every Sunday, unless the temperature is below zero, then it is cancelled for that Sunday. Mrs. Stillmaker is the Sunday School teacher, and will welcome any children that can come. Sunday School is from 1:00 till 2:00 in the afternoon.

The snow plows are gradually getting all the roads clear of snow, and traffic is about back to normal again.

Visitors over the weekend were Mr. and Mrs. Lloyd Riedlinger and daughter Roxanne.

Little Derrick Riedlinger returned to Edmonton today after a long holiday with his grandma and granpa Cherrington.

The area of Quebec is twice the size of the United States' State of Texas.

ALDER FLATS NEWS

BERNICE JOHNSON
Correspondent

Ron and Harley Molin came home from New Brunswick to spend Christmas with their parents, the Art Melins and Stanley Melin's.

The Alex Danyluks have purchased a new Dodge car.

Curling is in full swing again for another season, the round robin started Monday, the 8th, with 16 teams entered.

Everything has been pretty well snow bound out here, with the wind and snow drifting in the roads right behind the snow plow. As of today, the roads have been plowed open, the wind and snow have ceased and the school buses are going again. The weather is still extremely cold.

Fred and Karen Rahko of Rocky Mountain House were visitors with the Ole Bergquists on Christmas weekend and on he 7th and 8th. Also visiting with them were Dennis Stewart of Rocky Mountain House and Sylvia Knight.

Len and Mavis Schultz, June and Louise Nicolls áll of Red Deer spent 4 days at New Years at the Elgin Nicolls home.

There will be an open dance in the community hall on the 26th of January sponsored by the Legion Ladies Auxiliary

ENTWISTLE NEWS

MRS. E. OLIVER,
Correspondent.

Congratulations to Mr. and Mrs. Ralph Ostertag on the arrival of a daughter Wendy, born January 3rd. Mrs. Ostertag is the former Glennis Brown. Mrs. Todd Sumner of Lodgepole is spending some time with her daughter and granddaughter.

A son was born to Mr. and Mrs. Jim Robinson of Brightwood on January 3rd.

The Elks New Years Eve dance was well attended with several former residents back for the occasion.

The Community League Bingo will be held on January 18th.

The visitors that were missed who were in Entwistle over the holidays were: Dennis and Lune Leyden, Bruce Leyden, Delores Hoople, Valerie and Rick Peden, Wayne and Peggy Bullock.

Mrs. Halliday is back home again after being away during the holiday season.

Mr. and Mrs. George Bullock had all their children and grandchildren home during the Christmas season.

Mrs. Ernie Smith and Elizabeth are away to the coast for a few weeks.

The Firemen's bonspiel held at Seba Beach on January 6th was sponsored by the Tomahawk Fire Department. Sixteen teams entered from the surrounding districts. Entwistle had two teams in the bonspiel. They were: Donnie Hofmann, skip; Norman Hofmann, David Oliver and Gary Gylander.

Gordon Oliver, skip, Byron Brown, Greg Gylander and Bob Starling. Gordon Oliver's team won 1st in the 2nd event, while an Onoway team took the grand challenge. A lovely banquet was enjoyed and all had a good time.

Farm Business Report Helps Improve Efficency

How can a farm be made to produce a higher net income? The answer to this and many other questions related to improving the efficiency and net profits of farm enterprises will be found in the 1966 Alberta Farm Business Report, recently released by the Farm Management Branch of the provincial Economics Division.

A. R. Jones, supervisor of the Farm Management Branch, points out that for the first time the individual reports of the ten major soil zones in Alberta have been published in one report. This change was made in response to the numerous requests that have been received from farmers who wanted information about other areas, as well as their own, so that they can compare cost trends, effectiveness of investments and size of businesses needed to give a desired standard of living.

The report contans records submitted by farmers in 36 district agriculturist areas. The information obtained from these records is also used as the basis for the Cow-Calf, Feeder Cattle and Hog Enterprise Analysis Reports.

The Farm Business Report contains information on the advantages and disadvantages of different sized units, alternative cropping and livestock programs and the financial control needed to keep overhead and cash expenses in line with production. Examples show how to use the data and principles to increase the income generating potential of a farm.

Copies of the 1966 Alberta Farm Business Report can be obtained from district agriculturists and the Publication Branch of the Alberta Department of Agriculture, Edmonton.

Livestock Men Plan Meeting

The West Alta Livestock Breeders Association are having a meeting on Wednesday, January 24th at 8 p.m. at Sekura Auctions.

The main item of business will be to further plans for the 2nd annual Government Approved Bull Sale which is scheduled for April 20th.

Survivors Benefits Payable in February

OTTAWA--Survivors' benefits under the Canada Pension Plan will first become payable in February, 1968. Benefits include a lump sum death be benefit, a widow's pension, a disabled widower's pension, and benefits to the dependent children of a deceased contributor.

For a survivor to claim any of these benefits, the deceased person must have contributed to the Plan for at least three years. Any required contribution to the Plan is considered to be a contribution for a year.

It appears that man can get along fairly well without his gallbladder, spleen, appendix and bladder. He can dispense with one kidney, two quarts of blood, half his brain, and all teeth, and still live.

KEEPHILLS NEWS

MRS. G. RAYMOND, Correspondent.

Mr. and Mrs. Pete LeGrand went to Penhold on January 8 to attend the R. C. M. P. graduation of Mr. LeGrand's nephew. Audrey Hansen was in charge of the store.

The cold winds of January 4th closed schools here at noon Cars were snow bound along the east-west road in the High Vale area. Mr. Baily worked with the grader clearing the roads until late. He is having his troubles with his new grader too.

Over the weekend temperatures along the river were reported at 50 below zero January 6th but was reported at 35 on the hill.

Donna and Nancy Porter both celebrated birthdays in January.

Mr. and Mrs. Dalton took a time off to visit their son Don and family at Lloydminster recently.

The 4-H skating party which was to have been held at the school rink on January 6th was cancelled because of the cold weather.

Open house for Mr. John Tinney of High Vale on his 80th birthday was held January 9th and in spite of the cold several were on hand to wish him many happy returns.

BURTONSVILLE NEWS

MRS. A. HOMME, Correspondent.

Eldon and Marge Greanya and children went to Warburg on Saturday to see Eldon's sister Eileen and her husband, Don Elmore who are visiting Don's parents, Mr. and Mrs. George Elmore. Don and Eileen are from Ft. McMurray where Don works. Don has been ill for two weeks and is under doctor's care.

A few folks braved the 32 below weather on Saturday night to hear our conference superintendent, Rev. D. H. Russell. This being our quarterly meeting, Rev. Russell held service at the Free Methodist Church in Mewasin on Friday night and Sunday morning, and at Burtonsville, Saturday night and Sunday night. There was a fair crowd out both evenings and the messages inspiring.

Theresa Tattersall visited her mother Mary and David on the weekend and attended services on Sunday. The hard winds and drifting caused her some concern as to how she would get back to her brother's where she stays in time for school on Monday. Her brother lives at Spruce Grove. There is fifteen inches of snow and some folks were caught without enough coal for such a long spell of cold weather. Roads are drifted to mines and some grader men are having break down troubles So we are all hoping for warmer weather, and we hope the three sun dogs seen all at once on Monday mean just that.

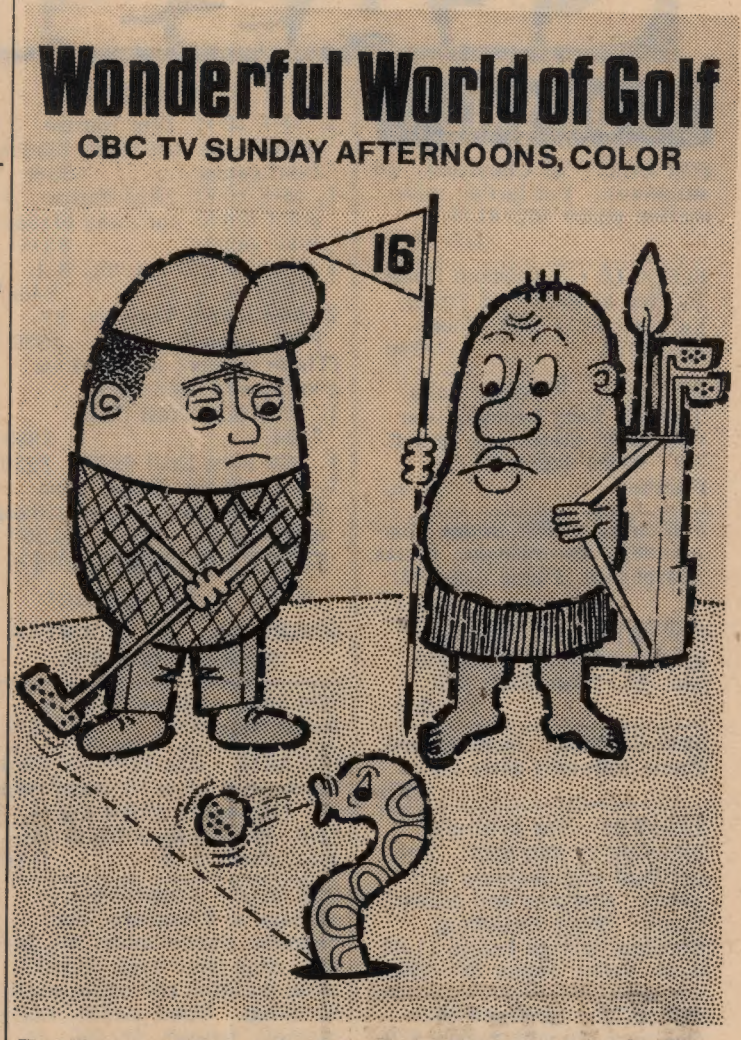
SORRY ABOUT THAT CHIEF



They'll never believe it back at the clubhouse; but, if it's ever going to happen, it will happen on Wonderful World of Golf (in color) starting Sunday, Jan. 21. Again CBC-TV will carry this exciting golf series which travels the four corners of the earth to bring viewers the best in golf and the most beautiful in golf scenery. This series will travel to such far-off places as Guatemala, the Virgin Islands, Spain and Switzerland. Some of the top golfers to be seen include Julius Boros, Billy Casper, Chi Chi Rodriguez, Roberto de Vincenzo and Christy O'Connor.

PUBLIC NOTICE

Water Diversion Application

SUPERTEST INVESTMENTS AND PETROLEUM LIMITED

Notice is hereby given in accordance with the provisions of the Water Resources Act, that Supertest Investments and Petroleum Limited has filed the necessary memorial and plans required by the said Act with the Director of Water Resources at Edmonton, Alberta.

The applicant applies for the right to construct the necessary works to divert a maximum of 325 acre feet of water per annum from Buck Lake Creek at a point on the N.W. quarter of section 4, township 48 range 6 west of the 5th meridian, for industrial purposes.

Protests or objections may be filed by bona fide interested parties with the Director of Water Resources, Water Resources Division, Agriculture Building, Edmonton, Alberta, within thirty days of the date of this notice and will be given due consideration as provided by law.

Dated at Calgary this 4th day of January, 1968.

A.J. Miller,
Manager of Production.

EVANSBURG

MRS. M. BRUNER,
Correspondent

With all the weather reports I read from the papers, this hospital I'm in still seems to be the place to be these days. Although all being well, I should write my next report from my own home. I would like to say thanks to all who sent me remembrances during my stay here.

Even with schools being closed in some areas, our schools opened on schedule after the holidays and it seems all the children have now come to grips with the work for the next while.

I've heard that the FUA Styal Local postponed their meeting until next month, all due to the extreme cold.

The Agricultural Society held their meeting at the home of Mr. and Mrs. Gerrard in Wildwood. This was supposed to have been the annual meeting and election of officers. I hope to have a list of officers elected for next week.

Mrs. H. Greaves has also been in an Edmonton hospital for surgery and is reported doing fine.

Omitted from last week's news was the fact that the local 4-H Club members went on a tour of the Wabamun Power Plant. This was enjoyed by all those taking part.

C.G.I.T. News

The Drayton Valley CGIT reconvened in September, 1967 with a new leader, Mrs. Carol Shiek officiating. An election of new officers was held and are as follows: President, Nina Schurman; Vice President, Laurie Cathrea; Secretary, Betty Hay; Treasurer, Ann Cathrea; Social Convenor, Teresa Lindgard; and Reporter Laurel MacInnis.

In October the girls project was decorating the United Church for Thanksgiving. October 27th was highlighted by a Hallowe'en party which was enjoyed by all.

The CGIT Annual Vesper Service was held on December 17th immediately following a very enjoyable Sunday School program. Everyone who attended expressed delight and enjoyment.

A Christmas party with Santa Claus appearing was held on December 19th.

Our mission study, which was on Japan this year has been completed and we are looking forward to starting our Bible Study in the near future.
